

# Curriculum Vitae — Michael F Bergmann

Associate Professor, Performance, The Creative School, Toronto Metropolitan University  
ORCID: 0000-0002-5698-8121 · mfb@torontomu.ca · <https://bergmann.ai>

## Employment

|                          |                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------|
| <b>2024-01 – present</b> | Associate Professor (Tenured), Performance, The Creative School, Toronto Metropolitan University |
| <b>2022-07 – 2023-07</b> | Co-Undergraduate Program Director (Production), Performance, The Creative School, TMU            |
| <b>2019-08 – 2024-01</b> | Assistant Professor, Performance, The Creative School, Toronto Metropolitan University           |
| <b>2017 – present</b>    | Full Member, Yeates School of Graduate Studies, TMU                                              |
| <b>2016-08 – 2019-08</b> | Assistant Professor (Limited Term Faculty), Performance, The Creative School, TMU                |
| <b>2014 – 2016</b>       | Technology Specialist / Media Server Programmer, WorldStage LAB, San Francisco / New York        |
| <b>2007 – 2010</b>       | Projection Specialist, Meet The Dude Productions, Toronto                                        |

## Education

|                          |                                                                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>2022-09 – present</b> | PhD (in progress), Critical Studies in Improvisation, University of Guelph. Expected 2027.                                                            |
| <b>2011 – 2014</b>       | MFA, Design (Projection Design Specialization), Yale School of Drama, Yale University                                                                 |
| <b>2006 – 2011</b>       | BFA, Theatre Performance Production, Ryerson Theatre School, Toronto Metropolitan University (coursework completed December 2010; graduated May 2011) |

## Teaching, Training, and Certifications

|             |                                                                                                           |
|-------------|-----------------------------------------------------------------------------------------------------------|
| <b>2020</b> | Teaching Adult Learners Online, Chang School of Continuing Education, TMU                                 |
| <b>2019</b> | SEDA Recognised Teacher, University Teaching Development Programme (SEDA, UK and Ireland)                 |
| <b>2019</b> | Apple Certified Teacher, Apple                                                                            |
| <b>2018</b> | Watchout Certified User and Operator, Dataton                                                             |
| <b>2015</b> | Pandoras Box Media Server Training (Basic, Advanced, Expert Warping & Particles, Widget Designer), coolux |

## Awards and Distinctions

|             |                                                                                  |
|-------------|----------------------------------------------------------------------------------|
| <b>2022</b> | Best World Feature Film: Nuptials, Austin Revolution Film Festival (as producer) |
|-------------|----------------------------------------------------------------------------------|

|                    |                                                                                  |
|--------------------|----------------------------------------------------------------------------------|
| <b>2014</b>        | Best Production: He Left Quietly, SummerWorks Performance Festival (as designer) |
| <b>2012 – 2014</b> | Eldon Elder Fellowship, Yale University (\$40,000 USD; held throughout the MFA)  |

## **Conference Presentations**

- 2025-09** Bergmann, M. "Hallucinating Children: Improvisation After the Algorithmic Shipwreck." Hugarflug: Unstable Systems, annual conference on artistic research, Iceland University of the Arts, Reykjavík, Iceland, September 12, 2025.
- 2024-10** Bergmann, M. "Beyond Tools: Reimagining Technology as Co-Participants in Performance Design." PQ Symposium: Technologies in Theatre, Performance and Exhibition Design, Prague, Czech Republic, October 16–18, 2024.
- 2024-03** Bergmann, M., Nathan, H., and Vercosa, J. "Robotics, AI, and the Future of Theatre." USITT Conference & Stage Expo, Seattle, WA, March 20, 2024.
- 2023-06** Bergmann, M., with ChatGPT. "Envisioning theatre with non-human collaborators: A Paramanifesto." CATR Conference, Dalhousie University, Halifax, NS, June 2023.
- 2023-06** Bergmann, M. "AI Sentience." Panel on the Implications of AI for Performance Theorists, CATR Conference (online), June 2023.
- 2022-07** Bergmann, M. "Augmented Symphony: An augmented reality application for immersive music listening." Paper presented at EVA London 2022, London, UK, July 2022.
- 2022-05** Bergmann, M., and Thomson, B. "Stepping Back In: Taking the best of virtual delivery to a new in-person experience." Learning & Teaching Conference, TMU, May 2022.
- 2022-05** Bergmann, M. "Student-driven curriculum development for creative practice." Learning & Teaching Conference, TMU, May 2022.
- 2021-10** Bergmann, M. "Cultivating Empathy through Robotic Performance." Limits of the Human, Machines Without Limits? Contemporary stage and robotics, University of Lausanne (online), October 2021.
- 2021-06** Bergmann, M., O'Brien, C., and Thomson, B. "Unapologetically learning together: Adapting Production and Design curriculum to a virtual stage." University of the Arts London (online), June 2021.
- 2021-05** Bergmann, M., O'Brien, C., and Thomson, B. "Pandemic Performance: Adapting Production and Design curriculum to a virtual stage." Learning & Teaching Conference, Ryerson University, May 2021.
- 2019-05** Bergmann, M., and Thomson, B. "Putting Up the Show: The very large group project." Ryerson Learning & Teaching Conference, May 2019.
- 2019-04** Bergmann, M. "Theatre in TheatAR: Explorations of augmented reality in theatrical performance." TEXT/SOUND/PERFORMANCE: Making in Canadian Space, University College Dublin, April 2019.
- 2018-03** Bergmann, M. "Technology as a tool: Creating a mindset of embracing technology within a theatrical framework." Theatre and Performance Design Pedagogy, University of the Arts London, March 2018.

## Poster Presentations

|                |                                                                                                                                                                      |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>2024-01</b> | Bergmann, M., Carravetta, L., Endahl, M., Robinson, A. D., and ARIA (AI). "Almost Alchemy." Poster, RUBIX, TMU, January 25, 2024.                                    |
| <b>2020-11</b> | Bergmann, M., and Anderson, J. "I'automate: Robotic Controlled Apparatuses for Circus Performance." Poster, RUBIX, TMU (online), November 2020.                      |
| <b>2019-11</b> | Bergmann, M., Zhang, L., Laberge-Côté, L., and McGuire, B. "Human-robot Interactions in Dance." Poster, RUBIX, TMU, November 2019.                                   |
| <b>2018-11</b> | Bergmann, M. "TheatAR: A previsualization system for theatrical design." Poster, RUBIX, TMU, November 2018.                                                          |
| <b>2018-05</b> | Bosyy, P., and Bergmann, M. "The Creative Laboratory Project." Poster, Ryerson Learning & Teaching Conference, May 2018.                                             |
| <b>2017-10</b> | Bergmann, M. "Shadow-selves: Projection as a medium of exploring reflections of self in Belinda McGuire's Slaughterhouse/Requiem." Poster, RUBIX, TMU, October 2017. |
| <b>2017-10</b> | Bergmann, M. "Projecting on film: the surreal effect of rear projected backgrounds in the film Nuptials." Poster, RUBIX, TMU, October 2017.                          |

## Invited Talks and Public Lectures

|                |                                                                                                                                                                                       |
|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>2025-02</b> | Guest lecture on AI in visual generation, open-source models, and ethical usage, Advanced Professional Projection Design (graduate), Yale University, February 14, 2025.              |
| <b>2024-12</b> | Host: "Beyond the Screen: Exploring AI Personhood and Their Representation in Media." The Creative School Catalyst, Toronto, December 12, 2024.                                       |
| <b>2024-11</b> | Closing keynote: "Wellness for who? An examination of wellness through a research-creation student project." AVARA 2024, OAMK, Oulu, Finland, November 22, 2024.                      |
| <b>2024-11</b> | Workshop on projection design, Peterborough Theatre Guild, Peterborough, ON, November 2–3, 2024.                                                                                      |
| <b>2024-10</b> | Provocation: "Personhood // AI." UKAI Carnival of Shipwreck, Toronto, October 23, 2024.                                                                                               |
| <b>2024-07</b> | Invited talk on the future of AI in the creative industries. TechTO: AI, Toronto, July 22, 2024.                                                                                      |
| <b>2024-04</b> | "Improvnetics: Post-anthropocentric performance and improvisational modes for human-AI play." IICSI Research Studio Session, ImprovLab, University of Guelph, April 12, 2024.         |
| <b>2024-04</b> | Panelist on the future of AI in creativity and education, 1st Creative AI Symposium, Creative AI Hub, TMU, April 2, 2024.                                                             |
| <b>2022-01</b> | Roundtable: "What is the future of creativity and AI?" with Debashis Sinha, Robert Clapperton, and Richard Lachman, RUBIX, TMU, January 27, 2022.                                     |
| <b>2019-11</b> | "Research Creation with Michael Bergmann: The Uncanny Robots Project" and "Connecting through live performance" (with Eugénie Pastor, LSBU). The Catalyst @ FCAD, TMU, November 2019. |

## Creative Research Output

|                   |                                                                                                                                                                                                                                                                                                       |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2026-04 – 2026-05 | “Before I Was This.” Generative text work. flashDRIVE: Digital Arts Fundraiser Exhibition, InterAccess, Toronto, April 22 – May 9, 2026. Curated by Miriam Arbus.                                                                                                                                     |
| 2026-02           | Nuptials (feature film). Producer, projection design, and live in-camera VFX. Directed by Sean Braune, Para-sight Productions. Official release February 13, 2026 (Freestyle Digital Media). Best World Feature Film, Austin Revolution Film Festival, 2022.                                          |
| 2025-11           | The Frankenstein Project. Producer, with Debashis Sinha. Performance Studio Theatre, TMU, November 18–22, 2025.                                                                                                                                                                                       |
| 2025-11           | 291 by Jade O’Keeffe. Projection co-design with Kristen Ferguson; directed by Lisa Dixon. Peterborough Theatre Guild, November 1–15, 2025.                                                                                                                                                            |
| 2025-04           | “To my creators...” Solo work exhibited at the Creative AI Symposium, TMU, April 2, 2025; created during the SÍM residency, Reykjavík.                                                                                                                                                                |
| 2024-11           | AVARA 2024 installation. Led eight students in a semester-long research-creation installation presented at AVARA 2024, OAMK, Oulu, Finland.                                                                                                                                                           |
| 2024-06           | Shipwreck. Group exhibition with UKAI Projects and five Canadian artists, SÍM Gallery, Reykjavík, Iceland, following a month-long residency; includes solo work “To my creators...”                                                                                                                   |
| 2024-04           | Labour and Us. Workshop series (March 14 – April 17, 2024) and performance, co-created and performed with Lucas Carravetta, Matt Endahl, and Aimée Dawn Robinson; roundtable with Alan Filewod, Tom Scholte, Cynthia Ashperger, and Judith Thompson. ImprovLab, University of Guelph, April 19, 2024. |
| 2024-01           | Almost Alchemy. Two 360° video experiences of improvised research-creation performance. RUBIX, TMU, January 25, 2024.                                                                                                                                                                                 |
| 2023-10           | “rocketmanperson.” Improvised performance with Lucas Carravetta, Matt Endahl, and Aimée Dawn Robinson. Silence, Guelph, October 1, 2023.                                                                                                                                                              |
| 2023-04           | “Who’s There?” Improvised performance with Lucas Carravetta, Matt Endahl, and Aimée Dawn Robinson. Silence, Guelph, April 1, 2023.                                                                                                                                                                    |
| 2023              | Living Newspaper 2.0. Projection design; directed by Julie Labagnara. George Luscombe Theatre, Toronto.                                                                                                                                                                                               |
| 2019-10           | “The Uncanny Robots Project: Phase 1.” Research-creation premiere examining human-robot interaction through dance, commissioned for the opening of the Creative Technology Lab @ FCAD, TMU, October 2019.                                                                                             |

## Courses Taught

- PFZ 100 — Performance Foundation (F 2025) (created course)
- THP 400 — Creative Performance Studies VII: The Frankenstein Project (F 2025) (created course, with Debashis Sinha)
- FCD 816 — Global Campus Studio (F 2025)
- FCD 230 — New York City Experience: Creative Enterprise (S 2026) (created travel intensive)
- THP 403 — Travel Intensive to Oulu, Finland (F 2024)
- THP 350 — Projection Design (F 2019–24) (created course)
- THP 301–403 — Production Technique (W 2017 – F 2022)
- THP 800 — Independent Study (W 2017–20, F 2020, W 2022, W 2024)
- THT 582 — Show Systems Engineering (W 2020, F 2021, F 2023) (redesigned course)
- THT 582 — Scenic Automation (F 2017)
- THP 500 — Conceiving the Production (F 2018)
- THF 501 — Research Methods (W 2018–19)
- THP 102 — Production Technique II (W 2017, 2021–24) (lighting section 2017; projection design section 2022–24)
- THP 202 — Production Technique IV (W 2018–24) (projection design section)
- THP 660 — Projection Design: Special Topics (W 2022) (created course)
- THF 101 — Elements of Production (F 2016, 2019, 2020)
- THM 301 — Technical Direction (F 2016)
- CRI 815 — Creative Impact Supercourse I, Creative Industries (F 2018)
